Hi Michael,

I have amended our waitlist - your application now shows that you are interested in a 2 bedroom unit only.

While there may have been a communal copy of the internal waitlist in the past, Management is no longer providing this to members. Management is also not accepting inquiries regarding members' position on the internal waitlist. All of the Co-ops waitlists are administered at the discretion of Management in accordance with the Co-ops Bylaws.

**Best regards,**

Hi [REDACTED],

Thanks for getting back to me so quickly : )

Due to my Autism and resulting difficulties with communication, I encourage you to let me know if I write something that is wrong or weird in any way. I welcome this type of feedback : )

I believe that some of the things that you wrote are factually incorrect. I wonder if it might be helpful for you to contact our Board of Directors about the following four points.

1. You wrote "Our policy is that we do not disclose members' position on the internal waitlist."

This has not been true, historically, and I don't see confirmation of your assertion in our Bylaws.

This list has always been available to all Members.

I revisited "Membership Bylaw #84: 5.2.1(c)", as you suggested.

2. According to the Internal Waiting List that I obtained from our communal copy room on the 26th of November, 2024 (document dated July 8, 2021), I am listed in the following two ways:

"37

██████████, Michael

H1: 647 ██████ - ██████

1B1/1C1

INT

02-Jun-21"

- AND -

"62

██████████, Michael

H1: 647 ██████ - ██████

████████████████████

2BDR

INT

2024-10-22"

Please let me know if I've made a typo while entering the info above.

I'm pretty sure that the above info is in accordance with our Internal Waiting List dated July 8, 2021. Upon your request, I can provide a PDF copy.

3. You wrote: "You are entitled to have a 1st and 2nd choice of unit types on your application."

I can see on our recent (241126) Internal Waiting List dated July 8, 2021 that we have a few entries that include requests for more than two types of units.

4. You wrote: "Would you like me to add the two bedroom unit type to your application?"

There is no need for that. I have been on the Internal Waiting List for a two bedroom unit since October 21, 2024. Your record shows October 22, 2024, but that is not correct.

Thank you for helping me with my request for disability accommodation. I'll be in touch with you about that.

Also, please remove me from the Internal Waiting List with regard to any and all ONE bedroom units.

Thanks,

: ) Michael

Hello Michael,

Our policy is that we do not disclose members' position on the internal waitlist. Currently you are on the internal waitlist for a one bedroom apartment. You are entitled to have a 1st and 2nd choice of unit types on your application. Would you like me to add the two bedroom unit type to your application?

In order to apply for priority you must submit an Accommodation Request Form - I have attached the form to this email. Please refer to Woodsworth **Membership Bylaw #84: 5.2.1(c)** for procedure and more details on applying for priority.

If you have any questions, please don't hesitate to contact the office.

Hello,

I have two questions about the Internal Waiting List. Please forgive me if I write something that seems weird. I am Autistic, and sometimes I don't do a good job of communicating.

1. Could you please let me know my current position on the Internal Waiting List for a two bedroom apartment?

2. I noticed in a recent Weekly newsletter that I should be in touch with you, "confidentially", about my standing on the Priority Internal Waiting List. Due to my disability, I've been having difficulties in my unit. Could you please let me know about that process?

Thank you so much for your time and attention.

: ) Michael
