Hi [Michael]

It is a common practice in many co-ops to not share the internal waitlist to members, so we took this under consideration. However, we spoke with the Board and decided to have them available to members.

Thank you for your cooperation,

Hi [REDACTED]

Thank you for letting me know that "The list will be available to members again", and "[You] were working on reformatting the list."

I am grateful for the reformation of the list; it has been in need

Hi [REDACTED]

I'm working on an article, for The Weekly, about the fact that we no longer have access to our Internal Waiting List.

For the article, would you please answer the following two questions?

1. What is the name of the person who decided that we no longer have access to our Internal Waiting List?
2. On what date was this decision made?

I've also provided an opportunity for our Board of Directors to reply to these two questions.

Thanks,

:) Michael
